1. Introduction for Staff Users

This manual covers daily operations for NFSU staff members responsible for registering international students, inspecting passport/visa uploads, verifying eFRRO compliance, and generating reports.

2. Authentication & Dashboard

Staff members log in at </login> using official credentials assigned by an Administrator. Upon login, the Staff Dashboard presents active student statistics and compliance alerts.

3. Student Registration & Profile Management

Staff register new international students under **Students** → **Add Student** by providing basic personal details, country of origin, course of study, and contact numbers.

4. Compliance Document Inspections

- **Passport Verification:** Inspect passport number, issuance date, expiry date, and scanned document upload. Approve or reject with reason.
- **Visa Tracking:** Verify visa type (Student Visa S-1/S-2), single/multiple entry status, and expiration windows.
- **eFRRO Management:** Monitor 14-day mandatory eFRRO registration requirements upon student arrival in India.

5. Reporting & Exporting

Generate downloadable compliance summaries under **Reports** filtered by nationality, course, or compliance status (Compliant, Expiring Soon, Overdue).
